

PRE-SUBMISSION CHECKLIST (BASEBALL)

Check each item below before submitting to ensure that you are not missing out on “easy” points. This list is not inclusive of everything required. Completing each item does not ensure that you receive a perfect score, but it will ensure that you receive at least partial credit.

WRITE-UP

- Typed, 12 point font, double spaced
- No longer than 3 pages
- Details the process of what you did to calculate the values
- Answered each question in team and player sheet section

DATA

- Organized “neatly” for the regular season
- At least 30 different players
- Players selected randomly (describe your process in the write-up)
- Collected team data for 30 teams (OBP, SLG, ERA, attendance, number of wins, ticket prices)
- Calculated the INDEX correctly for each team
- Collected player data for 30 players (2014 stats, 2015 salary)

SCATTERPLOTS

- Axis titles labeled on all charts
- Title for each chart
- Trendline included (and legible) on each chart
- Trendline equation is legible and NOT in scientific form (7E-07)
- Font and axis intercepts can be easily read on each chart

PACKET FOR SUBMISSION

- Coverpage with your name on it
- Write-up summary (no more than 3 pages)
- Graphs
- Submitted as one single file to TurnItIn.com

FILE FOR DROPBOX (IN ANGEL)

- Excel file of data collected

**ECON 315 – Labor Economics
Player Evaluation Project Grading Rubric**

Section	Criteria	Grade	Points Possible	Comments:	
Data Collection & Graphs	Data collected accurately and organized in Excel correctly		40		
	Charts are accurate & easy to read		35		
Questions addressed thoroughly and with support from data	Clearly explain “What you did”		35		
	Relationship between INDEX and wins		20		
	Relationship between wins and revenue		20		
	Relationship between INDEX and Salary		20		
Non-Content Related	Following directions		30		
GRADE			200	<input type="radio"/> 48 hours early (+10%) <input type="radio"/> 24 hours early (+5%)	<input type="radio"/> Late (-50%) <input type="radio"/> No drop box file submitted (-10%)
